

Product Disclosure Statement VIC

I Care, I Choose Jackgreen
www.jackgreen.com.au

(Please Tick)

Explicit Informed Consent - I acknowledge that I have willingly agreed to have Jackgreen become my electricity retailer for this Premise. By signing this agreement I am verifying that I am over 18 years of age and authorised to change the electricity retailer for this Premise.

Transfer to Jackgreen – I understand the transfer of my electricity account to Jackgreen will occur on the date of my next meter reading and that this could take up to 90 days. Consequently, I will receive at least one more bill from my current retailer.

Termination of Agreement - I understand that if I cancel this agreement a \$49 termination fee will apply.

Offer Discount - I will receive a _____ % discount on energy rates and supply charges for a _____ year contract. The discount will apply when Jackgreen receives full payment on my account on or before the due date. This will be calculated as a credit and applied to my following bill.

Rebates - I understand that if I currently qualify for Pensioner or Life Support Rebates, then this will not be affected by the switch. I understand that I will need to provide the representative with my pensioner card number. I understand that I will need to provide Jackgreen with a medical certificate to be eligible for the Life Support rebate.

Credit Assessment – I understand Jackgreen may complete a credit assessment on all new customers and if I have an unsatisfactory credit rating Jackgreen may elect not to proceed with this agreement, or may require a security deposit.

Authorised Representative – I understand that the Sales Representative who co-signed the agreement is an Authorised Representative of Jackgreen. I understand that the Sales Representative may be paid a commission by Jackgreen. I have sighted the Sales Representative's Identification Badge.

Privacy Act 1988 – I give Jackgreen permission to retain my personal information on file to be used for the purpose of connection, supply and billing of electricity to my premises.

Previous Consumption History - I authorise my network operator to disclose to Jackgreen my electricity usage data for this Premise address for the 12 month period prior to my last meter read.

I confirm that the Sales Representative has provided to me copies of the following documents: (Please Tick)
